ESH SUMMER SCHOOL

15/20 SEPT.

OPIO, NICE
CÔTE D'AZUR,
FRANCE

Set against the beautiful backdrop of the French Riviera, the 2024 ESH Summer School brought together aspiring and seasoned experts for a week of learning and collaboration.

Interactive sessions and hands-on workshops fostered knowledge exchange, allowing participants to explore the latest in hypertension research and treatments

From scientific debates to a friendly pétanque tournament and visits to the magnificent landscapes of the South of France, the participants forged links that were both professional and fun, creating lasting memories.
